Post del dia

Today is Monday. It is not my favorite day of the week, because I have to go to school. Well, there are some good things like going to my friends' house to do homework. We talk, watch series, play video games and prepare our school materials.

**Roberto**

Ok, my favorite day of the week is Friday, because I have English at school. After school I can surf the internet and play soccer with my two brothers. On Saturday I wake up late. After lunch time, we go shopping. Sometimes we go to the club. I love swimming!
