1. Let's read!

Mike

Mindmakers

Hi. My name is Mike and I am 12 years-old. I like to play video game with my friends, go to school and stay at home with my family. Another thing that I really like is going shopping. I get very excited when I need to buy clothes. My favorite pieces are some black jeans and a blue plain t-shirt I am wearing now. And you, what are you wearing today?

Jessy

celebra mujer

Hello, buddy! My name is Jessica, but my friends call me Jessy. Well, I love my closet. In there I find all types of clothing, from pink socks to golden shinning dresses. To go to school, I wear a uniform. To go to the church, I wear a blue dress or long skirt. To go to my friend's house, a pair of jeans and white T-shirt. For my feet? Um... my old Nike sneakers.

Jack

journaldesfemmes

What's up bro! My names is Jack and I live in Boston. I am 12 years-old and my favorite activities are: playing soccer and read books. I don't care about the clothes I am wearing, I only take a shirt and pants in the wardrobe and that's it! My sister loves shoes, jackets and other garments, she wears different clothes every day. I really don't need to choose clothes. It's boring!
